***Creating lasting legacies for the community you call home.***

## Elgin St. Thomas Community Foundation

### *Your path to an enriched community*

The Elgin St. Thomas Community Foundation helps people give back to the charities and communities they care about, in a way that is simple, convenient and lasting.

We build and manage endowed funds into perpetuity and grant from the interest on those funds to support local charities. Our focus is on improving our communities — the places where we all live, work, play and raise our kids. The place we call home.

We are a young Community Foundation, and started building endowed funds in 2005. Since then we have grown to hold 23 different Funds with a total of over \$815,000 in community assets. In 2012 to date we have granted over \$80,000 supporting dozens of local charities, bringing our total granted to over \$286,000 while keeping the capital intact.

With a Community Foundation ***anyone can leave a legacy***. Gifts of ANY amount can contribute to a lasting legacy that supports your personal passions and interests.

*Elgin-St. Thomas Community Foundation's Mission is "To strengthen the community for the benefit of all by fostering the growth of community philanthropy; giving opportunities to benefactors to leave a lasting legacy for future generations; building and prudently managing community endowments; and addressing the needs of the community through strategic grant making and organizational support".*

*Endowed Funds are held into perpetuity, and a portion of the interest earned each year is granted to address emerging need and support charitable activities in our community. Though each Community Foundation is autonomous with a local Board of Directors, collectively the 181 Community Foundations across Canada now hold over 3 billion in assets and distribute over 140 million annually.*
